Another long paper in the file
--- 557 et al. IN RE APPLICATIONS OF GEORGE HAMMER BROWN, ABBIE ABBIE BROWN, PERRY ROSS AND THEIR DESCENDANTS.

George H Brown, Abbie Brown and Perry Ross claim that their mother was a full blood cherokee and their fathers (they had different fathers) were negroes and slaves. They claim that they were enrolled in 1851 and George Hammer Brown states that his mother was dead at that time, and that Brise Martin's widow drew the money for them; that is for George, June and Perry, Abbie being older drew for herself.

George Hammer Brown is enrolled by the Daws Commission on the roll of Cherokees by blood at #15967 as 1/2 blood. Abbie's name cannot be found in any of the Dawes Commission rolls under the name of Abbie Brown. Perry Ross was enrolled by the Daws Commission on the Freedman roll at #2590, and he gives his

No 558 Eastern Cherokee application of Abbie Brown explanation of the fact that he was enrolled upon that roll, that when he was asked by the Dawes Com ission on which roll he wanted to go, he was scared and said "Freedman" as they had told me I would have some trouble getting on the other alt ough my mother was a full blood" (See Misc. test. page 2513)

The names of George, Juno and Per-o appear on the Dronnen rolls, Saline District 464. Abigail in the same District #465 and it appears from the original roll that Sarah Martin received the money for these children. They also claim that their grandmother, Susan Wilcox and their aunt Polly Wilcox, who was not married, were enrolled 1851. Their names appear on the Dronnon roll in Flint District, Group No 353.

George Hammer Brown, states in affidavit that his mother had a brother by name of John Brown, who was a full blood Cherokee indian. He also states that he and his mother and sister came from Georgia, with "LIGE" Hicks and George Fields. The name John Brown appears on the Dronnon roll in Saline Distri N 531 and Elijah Hicks in the head of the preceding grou No 530.

As these applicants, although their fathers were negroes and slaves, claim through their mother a full blood, and as they themselves are enrolled as above stated, they and their descendants are clearly entitled and should be admitted.

See Affidavit of George Hammer Brown of February 29, 1908. and Marked "Exhibit A".
